

To view in more detail, click on any map and a pdf will open. You can zoom into the pdf to read the street names, either on a computer or on your phone.

On your computer, you may get a screen like this

If so, click here on  
'Fit to Width'

You can then click on the + and - buttons to zoom in and out of the map.

You can print the pdf if required.

Click on the printer icon and make sure you click on the button to 'Fit to printable area' under 'More Settings'
